DEDICATION

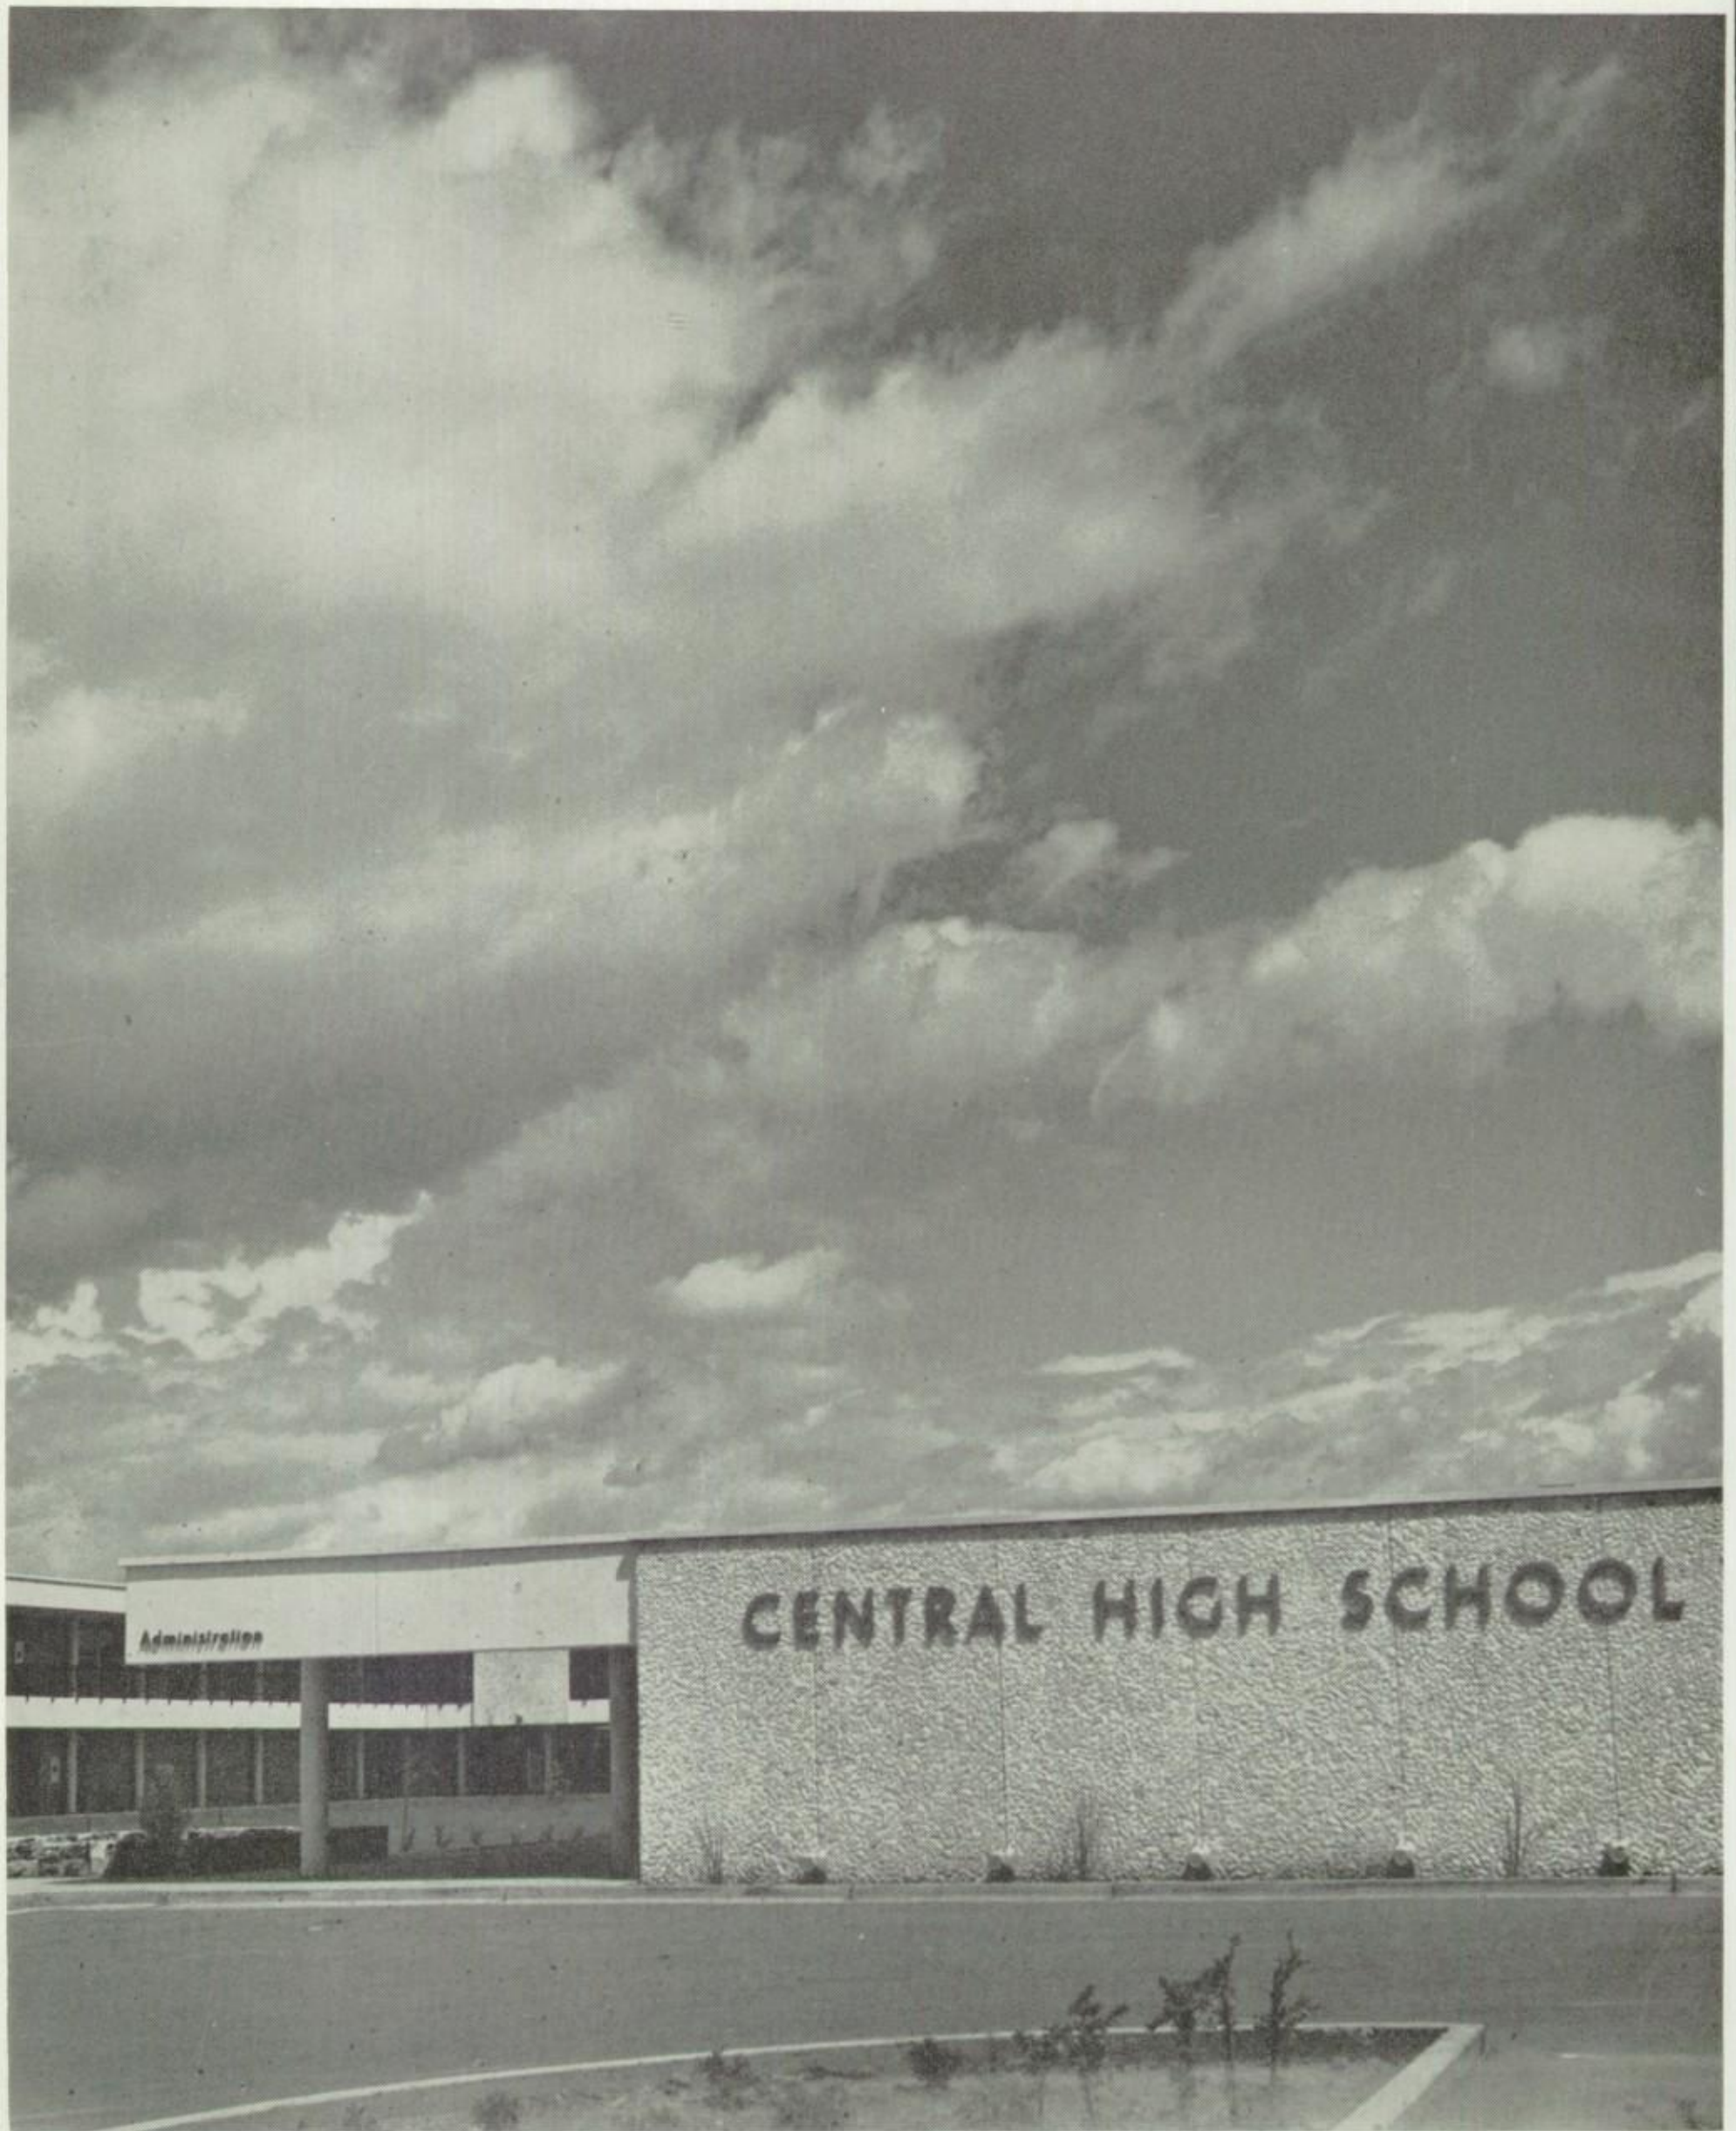

to

Board of Education of Phoenix Union High School District

The many schools under the guidance of the Phoenix Union High School's Board of Education have increased the burdens of it's members. To these members we dedicate this, the first edition of the Central High Cat Tracks.

It is to these people, we owe our thanks for the very school in which we live and learn; for without their support, our Central High School could not or would not have become a reality. Through the years our system has come to depend upon their guidance and inspiration. On their principles it will continue to grow and progress. We, the students of Central High School, are grateful for the integrity and wisdom of our Board of Education.

We wish particularly to pay our tribute and appreciation to Mrs. F. A. Bons for the splendid, devoted, outstanding service which she has unselfishly rendered our school system for the past twenty-five years.

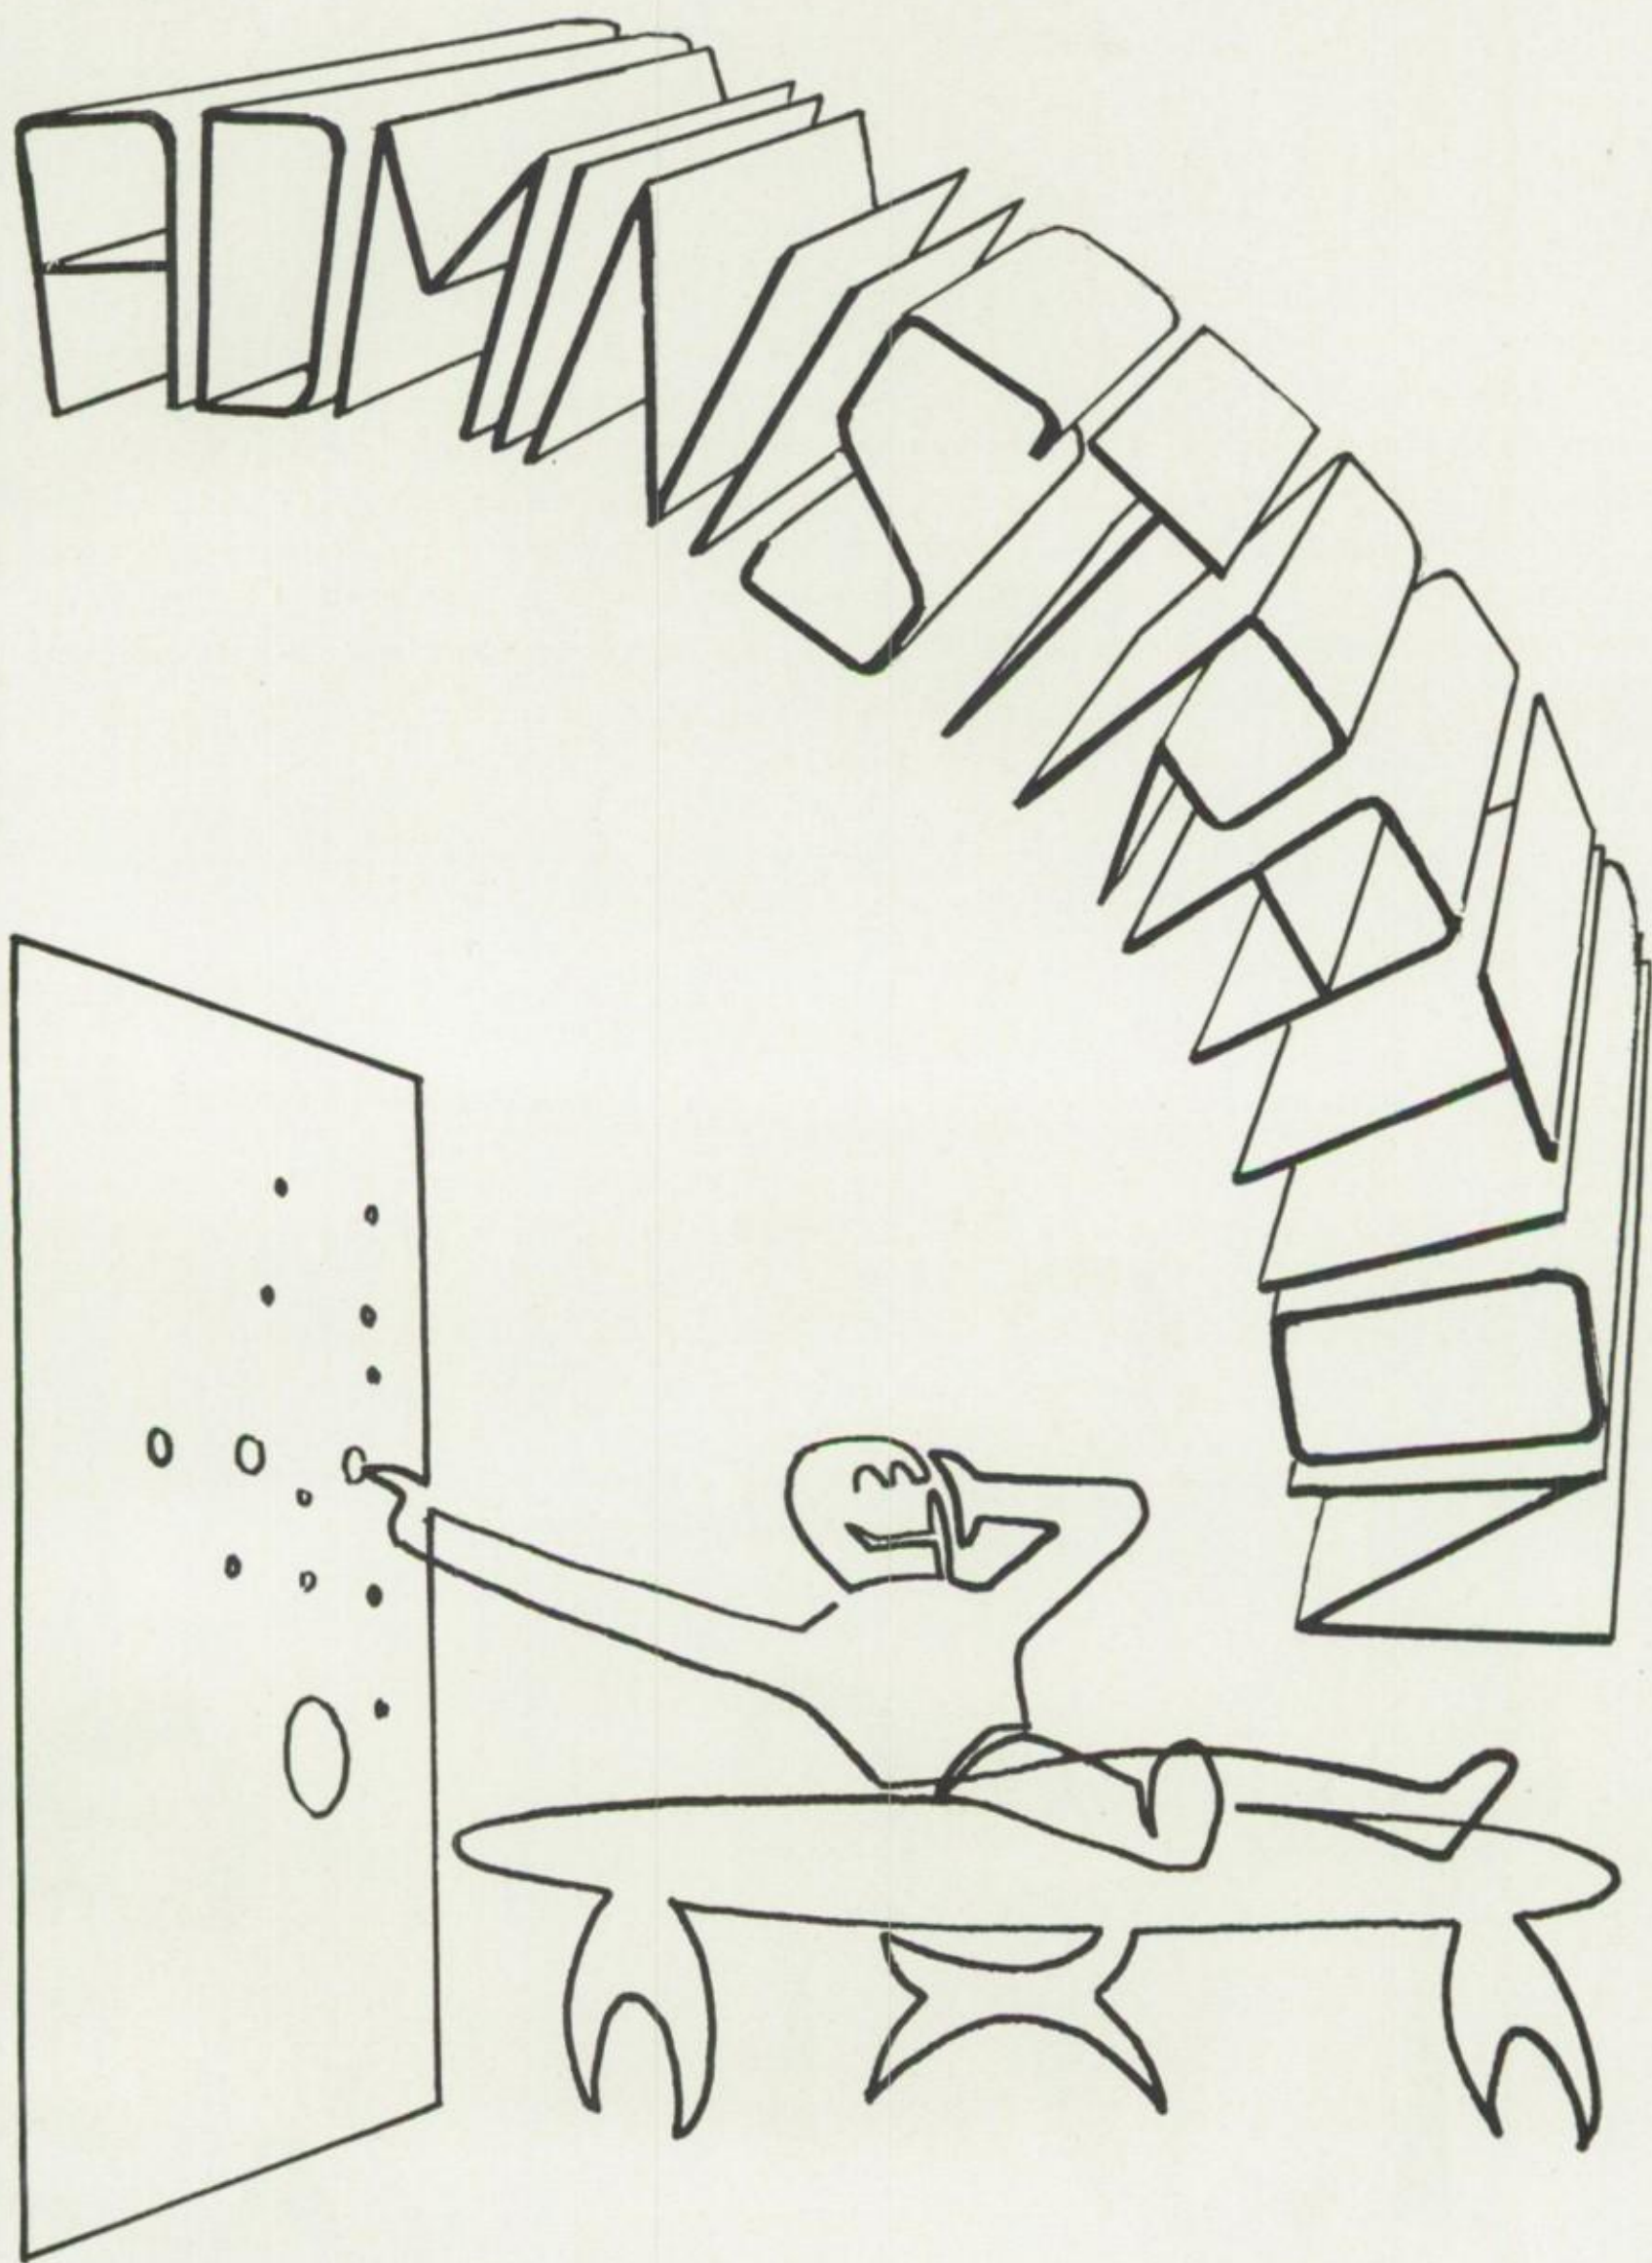

4525 North Central Avenue, Central High School

is on a beautiful spacious campus

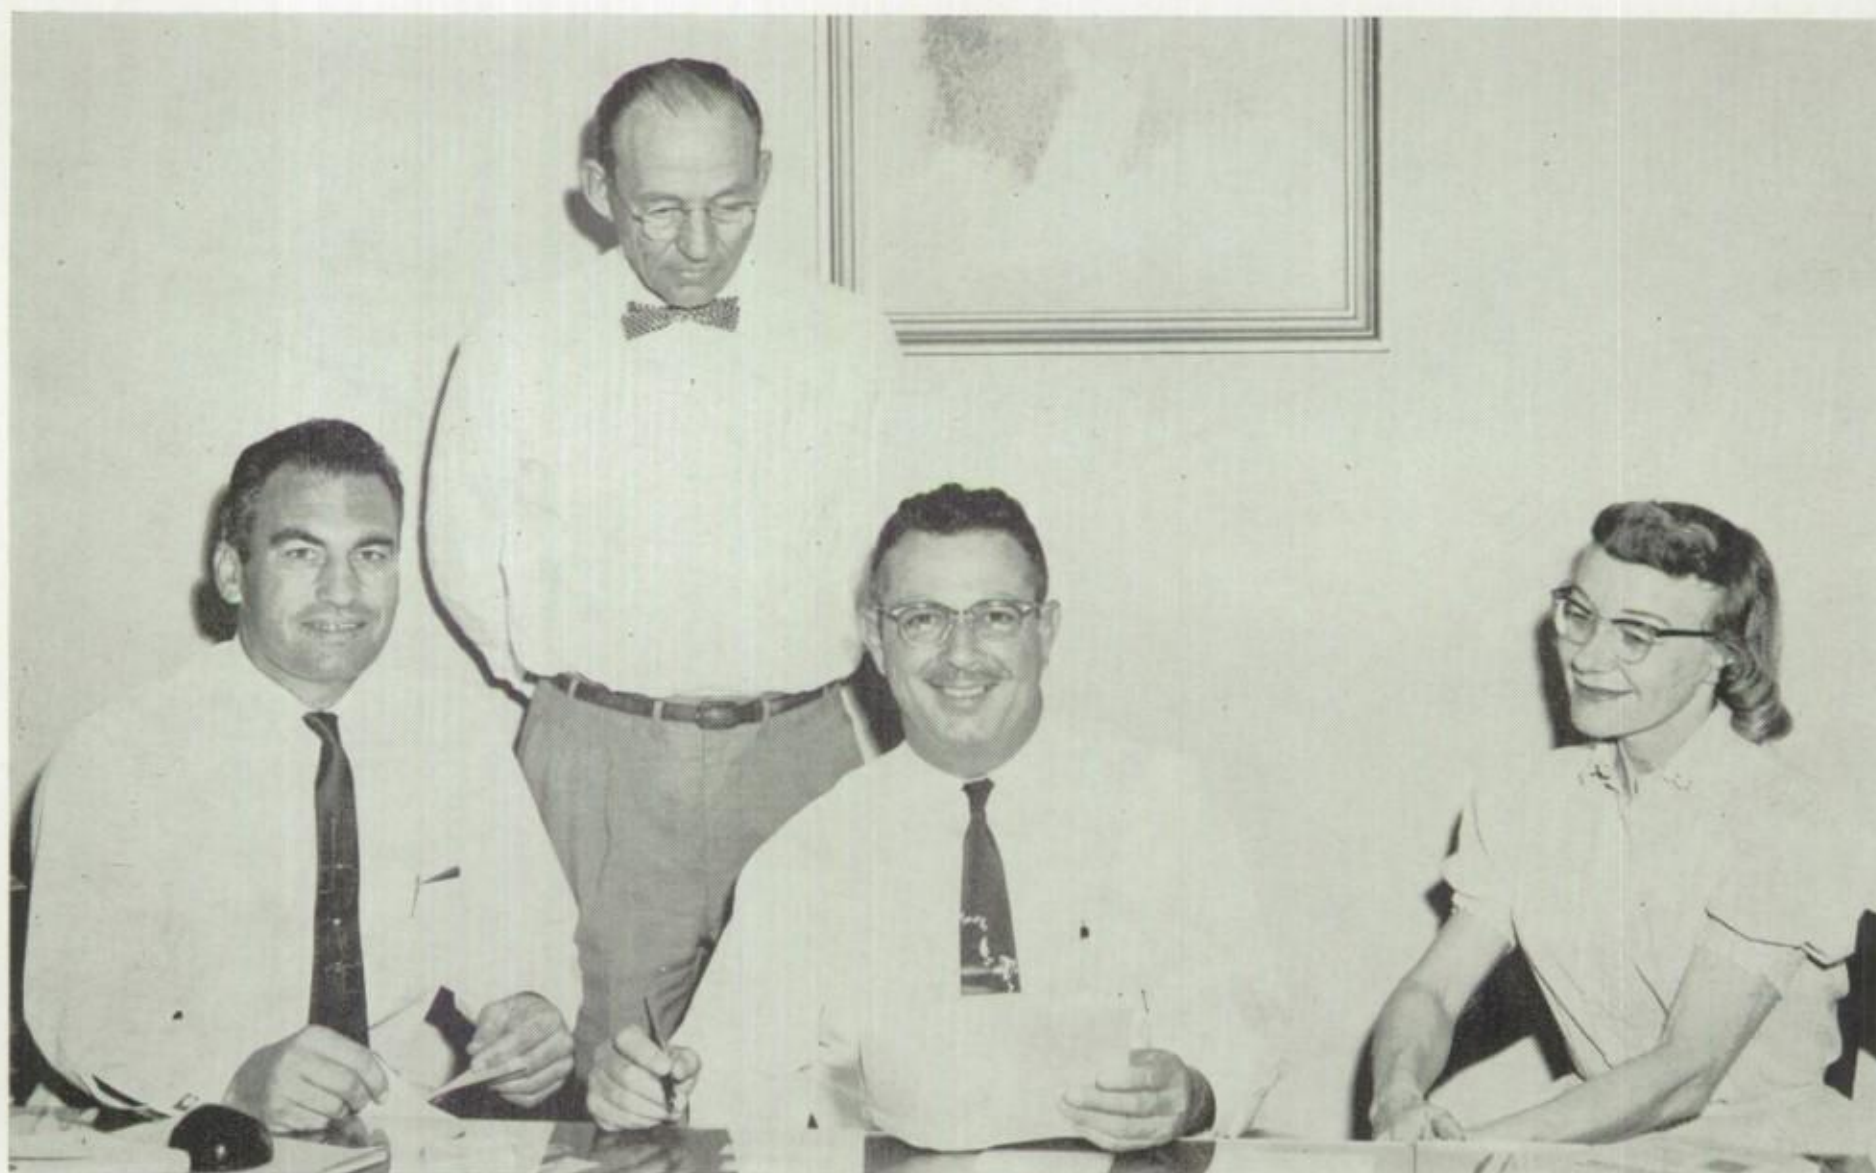

extending to Seventh Street.

Leadership and Planning

Central High is fortunate in having the leadership and guidance of a fine administration group this year. Long before construction of the school had begun, our administration spent many long hours planning and preparing for our Central so that we Bobcats could have the very best. Under their expert guidance, we students are led to adulthood—to positions as responsible citizens of the community. In this first year, it was especially important that Central High have a good start in setting up high standards and traditions, which will be followed in years to come. Our administration has done an outstanding job in helping us achieve these goals.

Class of '59

The Junior Class of '59 has the distinction of being the first class that will graduate from Central High. Though small in number, the juniors have been well represented in school activities and in student government. The class had two main money-raising projects. They sold pop-corn balls and volunteered to pay class dues.

The class officers, who were Steve Silver, President; Jim Gafke, Vice-President; Lynda Morris, Secretary; and Margaret Harford, Treasurer, along with the Class Council and the Advisory Board, worked hard to support their class and to promote loyalty among the juniors.

Several juniors received various awards and recognition this year, all of which go towards making their class a leading one.

They are fortunate in being the "first" class for two years, since there were no seniors at Central this year.

The highlight of the year for the juniors was the "Surfer's Swing", the junior class swimming and dancing party. Held from 9-12.00 P.M. on May 24th, the party at the Terrace Club was a complete success.

All in all, their **first** year at Central was a rewarding one, and they are hoping that their last one will be equally successful. But, all this could not have been achieved without adult leadership and helpfulness backing it up, and these qualities were generously applied by their two willing and able sponsors—Mrs. B. H. Grevenberg and Mr. Edward Herzberg. A generous vote of thanks is dedicated to these sponsors by the juniors.

Class of '60

The sophomore class officers for the year 1957-58 were Tony Johnson, President; Ann Ramenofsky, vice president; Barbara Kelly, secretary; and Doris Bailey, Treasurer. Our Class was under the efficient and well handled guidance of Mr. Joe Garcia and Mrs. Mabel Blue. The Sophomore Class Council met almost every week to make important decisions on class matters.

Various money raising projects were tackled by the class with immense success; the most outstanding of which was the Snow-Cone sale which netted over \$100 in profit for the classes numerous activities.

The highpoint of this year for our class was the big "South Pacific Swing". A tremendous success, the dance featured such things as a Hawaiian orchestra—Kay Kalani and the Beachcombers, REAL Hula Dancers, and leis as souvenirs. Refreshments were served by the P.T.A.

All in all, the sophomore class has made this year a most successful one. This, though, has only come about because of the diligence and resourcefulness of our members. We have been a part of the origin of Central's traditions and have helped to establish a goal for future classes to achieve. Again we thank our sponsors; Mr. Garcia and Mrs. Blue, for without their helpfulness, the year could not have been so beneficial.

Class of '61

The freshman class, under the sponsorship of Mr. Kendall and Mrs. Vera Swanger, have gotten off to a fine start this year. They have the distinction of being the largest class here at Central with an enrollment of over 600 Bobcats.

The frosh class sponsored two successful activities this year. One was a carwash held at several service stations in the Phoenix area; their second project was a delightful and refreshing ice cream sale.

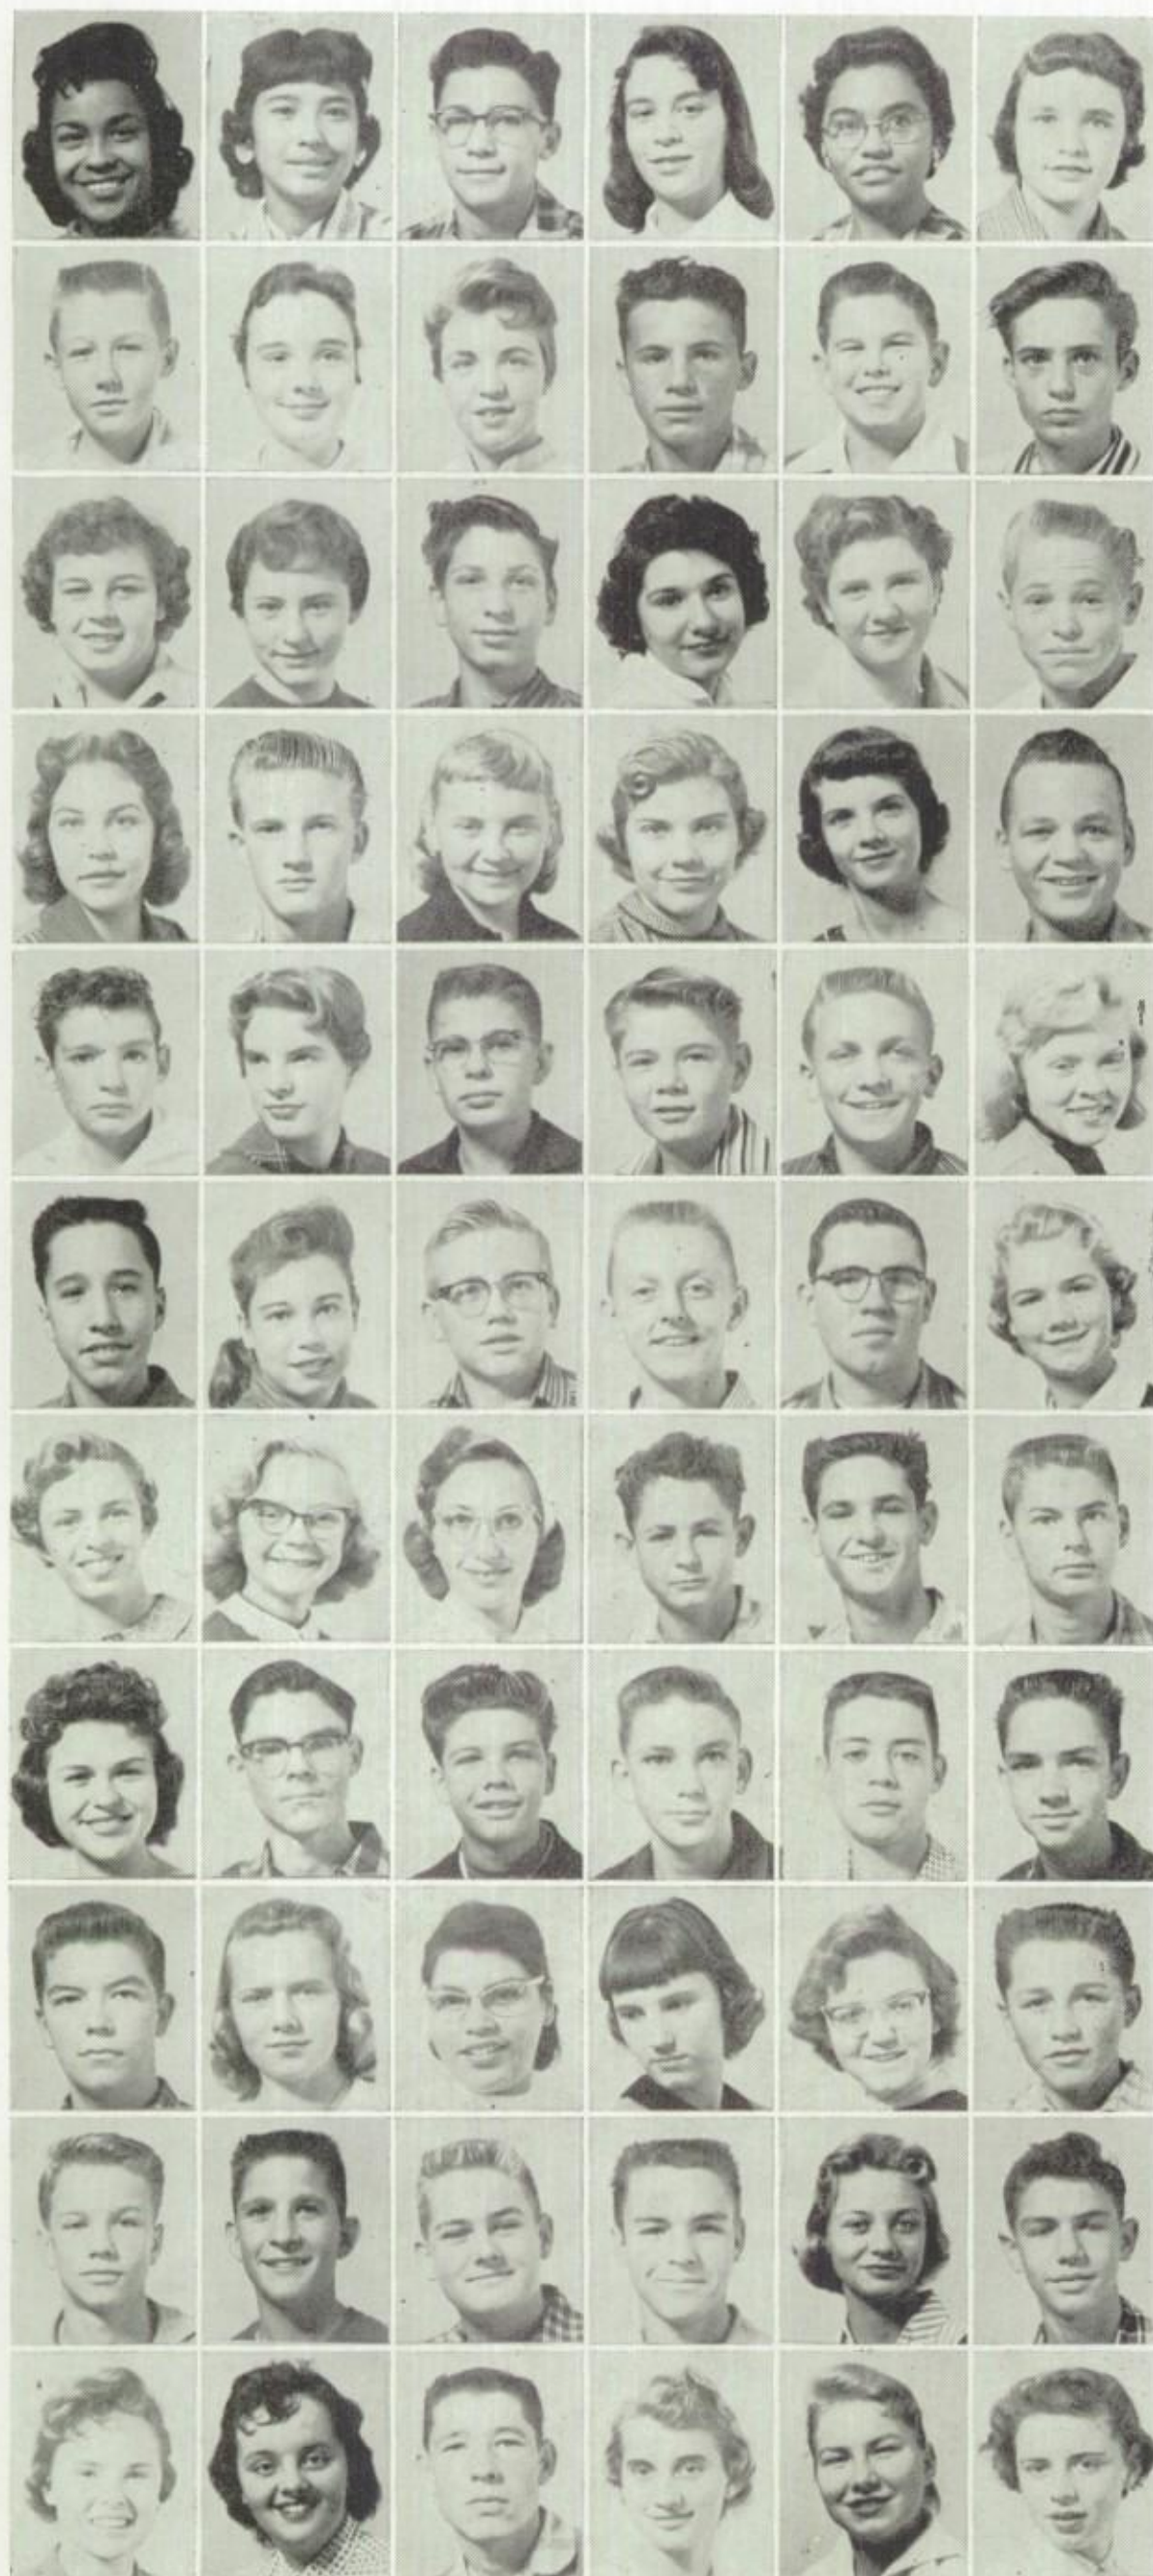

Early this year the freshman class held its elections. Chosen to lead the Bobkittens were A. J. Staples—President, Ann Kavocovich—Vice President, Sharon Messmore—Secretary, Barbara Kulik—Treasurer.

Many freshman entered sports, music, dramatic productions, and other school activities this year; which just goes to show that even the frosh class can get into the swing of things and show a lot of school spirit and loyalty.

Hats off to a fine job done by Central's youngest bobcats.

Our Cat Tracks Staff

The Annual Staff has not produced this annual without perserverence, perspiration, and, sometimes, even a little prayer. At the beginning of the year, the present staff was selected from the enrollees. Most of its members had little or no previous experience in yearbook production. In addition to this, and to add to the confusion, clubs, organizations, etc. had to be formed, officers elected, and various other phases of school life had to be organized before annual coverage could be started. Photography equipment had to be purchased, class pictures had to be made, themes selected, and leaders named; all of which contributed to delaying and handicapping the staff. During the early period, the publications class was oriented on the different skills required to put together a high quality yearbook. After this initial step was taken, things began to roll. Under the able sponsorship of Harry L. Crockett, a final staff was chosen. Selected to lead the group were:

Editor-in-chief

Ron Lundeen

Business Manager

Judy Moore

Section Editors

Carol Melander—Faculty — Sharon Brosseau—Classes
Sally Coltrin—School Life — Mike Weiss—Sports
Joan Harris—Organizations — Nancy Foster—Photography
Carol Bornmann—Art Staff

Staff Members

Jerry Boeh, Joyce Carrick, Sharon Clark, Joyce Greenway, Claudia Johnson, Dennis Josifek, Judy Loftfield, Doug McVay, Jackie Runge, Nancy Tisdale, Linda Williams

Art Staff

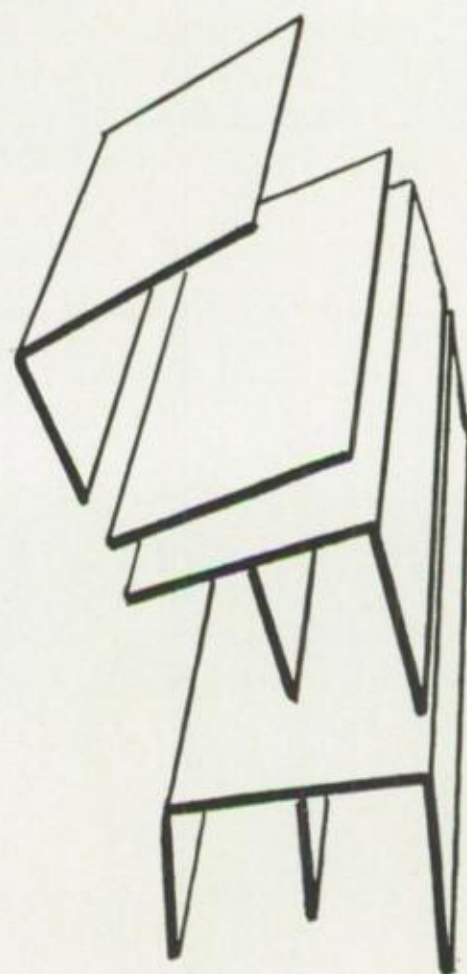

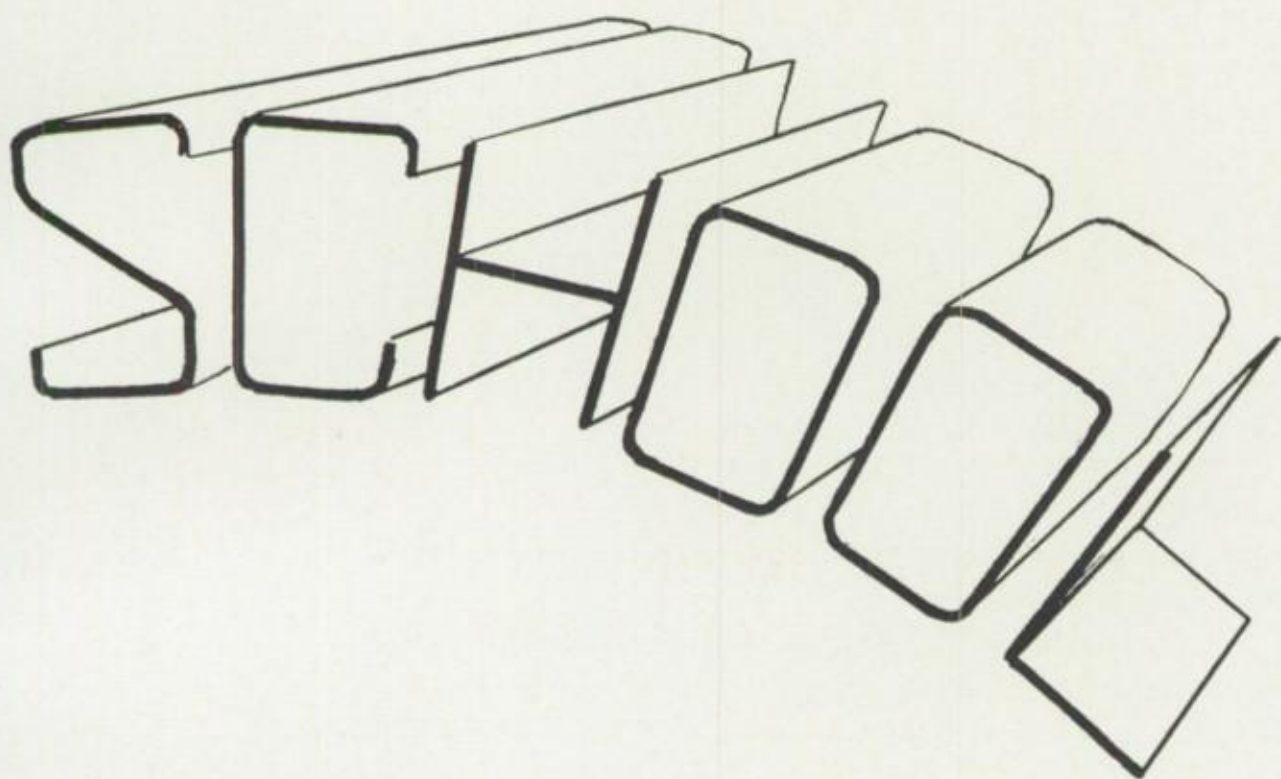

Kathi Gates, Roger Long, Mike Daniels

Under the direction of the section editors each part of the annual was given elaborate care in its composition. Slowly, but surely, the yearbook came to life. Hundreds of pictures had to be taken before a complete coverage of the school year's events could be given in our annual. Later in the year the student body chose the name of Cat Tracks to be the official symbol of the Central High yearbook. Not long after the name was chosen, the various sections of the volume fell into place rapidly.

That is the story of how this 1958 edition of the Central High Cat Tracks got into your hands this very moment. We owe a deep vote of thanks and gratitude to these people who have worked so hard to put out this book. We also wish to show our appreciation to their sponsor, Mr. Harry L. Crockett, for without his supervision and advice, such an undertaking would not be possible.

Student Government

For a new school, getting Student Government started is a very big job. We, at Central, feel we have accomplished much this year.

One of the major projects this year was our American Field, better known as the Foreign Exchange Program. To enlighten the students on just exactly what Foreign Exchange is we had an assembly devoted to this topic. After this, we sold stocks in International Goodwill. With much cooperation by both students and faculty, we made \$712.00. The clubs on Central's campus wanted an active part in this program, so they all worked together to add to the Foreign Exchange Fund. To end the campaign, the student body participated in a magazine drive, with some of the money going to the Foreign Exchange Fund, and some to our Student Body Fund.

One of the big thrills of the year was the ratification of our Constitution which took place on April 22nd, after five long, hard months. We feel that this is a very unique constitution and that application of it will prove very successful.

One of the first things we did in organizing our student was to form four committees: Election, Assembly, Traditions, and Social.

Under the supervision of the Traditions Committee, we had a terrific Rodeo Day. Students dressed western and some even rode horses to school.

The student body officers had the pleasure of attending the Arizona State Student Council Convention held December 6th and 7th at West High. They also attended meetings of the Salt River Presidents and Vice-Presidents Association, and benefited much from experience gained here.

These are just a few of the many projects and activities that student government has participated in.

STUDENT BODY OFFICERS are from **Left to Right:** Judy Wallace, Guidance Board; Beverly Heflin, Secretary-Treasurer; Bob Smelick, Vice President; Bill Lennartz, President.

ELECTION COMMITTEE MEMBERS—Left to Right, Standing: Tony Johnson, Mike Stoner. Seated: Sharon Brosseau, Ann Ramenofsky, Chairman; Deana Bartels, Doris Horowitz, Beverly Johnson.

Election Committee

The Election Committee plays an important role in the administration of student government by helping with elections and other events of this nature held here at Central. A hard working organization, the Election Committee was selected from many applicants last fall. We owe a great deal of thanks to this committee for seeing that our Central elections are run fairly and efficiently.

Ballots n' Bright Ideas

The Traditions Committee is a unique group here at Central. Since it is our first year, many traditions needed to be established, both to build morale and interest in the activities and functions of our school. These people, working together in the best interests of Central are the ones who carry out this task. Among their accomplishments we can list the Miss Victory Contest, Color Day, and Maverick Day. These are but only a few of their achievements. They definitely deserve a "tip-o-the-hat" from us Bobcats.

Social Committee

The Social Committee is one of the most active and helpful organizations on our campus. It is to them that we owe the thanks from the success and the planning of our dances and various other social events. Meeting every other week, the committee plans and O-K's permission for social events and many other phases of Bobcat extra-curricular activity. Again we thank them for their diligence and thoughtfulness in weighing each event.

Service To Central

An assembly does not, just, come off. It takes careful planning and selection before a high quality program is presented before the student body; and that is where the assembly committee comes in. This committee maps out assemblies for the whole year; weighing each assembly to see that it will promote better moral standards and instill thought or interest in the minds of the students for whose benefit these productions are given. We owe our sincerest gratitude to the members who make up this committee for giving us the fine assemblies that we, the student body, have been able to witness and enjoy this year.

Assembly Committee

ASSEMBLY COMMITTEE MEMBERS—Left to Right: Jim Anderson, Nita Wilson, Bryce Seaman, Susie Distel, Alice Katz, Marti McClanahan, Nancy Coleman, Carol Melander. Not Pictured: Nancy Tisdale, Linda Mathieson.

Student Council

The Student Council, one of the most active organizations on campus, has contributed much to the rounding out of our school life. Meeting every other week, elected representatives from every 3rd hour class discuss problems and conflicts arising from daily living. Mr. Prather, sponsor of the organization, takes an active part in it by contributing advice whenever needed. The organization is presided over by the student body officers working in conjunction with students and faculty. It has filled a very important gap in a well-rounded student government program.

Girls' League

The highlight of the year for the Girls' League was the Cinderella Ball (Picture on opposite page) on April 10, 1958. Music was by the Aristocrats and intermission singing was done by Judy Mallin. The Cinderella was found to be Linda Wray, whose foot fit the glass slipper donated by a leading shoe store. Many other projects were also carried out by the efficient Girls' League Cabinet and members.

Boys' Alliance

Among the many projects successfully completed by the Boys' Alliance this year was the Stardust Ball held on March 7, 1958. Music was furnished by Ernie Carbajal's Combo giving out a swinging beat. Decorations were maticulous and took many hours of work by the members of the group. This event provided the rounding- out of a well-balanced program and completed a rewarding year for the Boys' Alliance of Central High.

American Field Service Stock Certificate

This certifies that _____

HAS BOUGHT ONE SHARE OF INTERNATIONAL GOOD WILL BY INVESTING \$.25 IN AN AMERICAN FIELD SERVICE EXCHANGE STUDENT.

E. J. Prather
Student Council Sponsor

With certificates such as this, our student body was able to raise \$712 towards our Foreign Exchange Fund. The shares in "International Goodwill" sold for 25¢ with exchange student autographed copies selling for \$2.50. The faculty and students put themselves behind the task and practically all participated in it. We here at Central hope to be able to have at least one or two exchange students next year. The money in our fund will go towards achieving this goal.

PRESENTATION OF CHECK—Bev Heflin, Pep Club President, presents check for \$100 to Mr. Prather for the Foreign Exchange Fund. The Pep Club raised the money by selling hats and sponsoring dances.

Pictured are, left to right: Mike Weiss, Mr. Powell, Bev Heflin, Karen Nelson, Mr. Prather, Florence Howard.

The Sock Hop, a dance sponsored by the PTA was one of Central's very memorable moments. Decorations were of paper socks and prizes were awarded for the most original pair.

Our Dads Help Us!

Our Dad's Club has been one of the most active organizations on campus this year. Always willing to help out with school affairs, the club has aided the Boys' Alliance at their formal by serving as waiters and on the refreshments committee. This is just one of the many ways in which our Dad's Club has benefited Central through its willingness to serve us.

POM PON GIRLS from left to right are: Mary Wolf, Bobbie Nelson, Lynda Morris, Cynthia Lathrop, Doris Bailey, Barbara Kelly, Bonnie Andersen, Sally Lawrence.

Our Pom-Pon Line

The first Central High Pom Pon line filled crowds with spark and pep in sport events and assemblies. Their cheerful smiles and attractive costumes, along with their precision dancing, added much to the school spirit and interest from both students and parents as well.

Their participation in many assemblies, football and basketball games, the rodeo parade, and special events attracted attention to them as being one of the finest pom pon lines in the state.

Tryouts were held late in November. From a group of sixty girls, eight top notch dancers and four alternates were chosen as the first pom pon line ever to represent Central High. In addition, a class of twenty girls was also picked.

The girls designed their own costumes and created their own dances. Along with their fine sponsor, Mrs. Harriet Mitten, these girls deserve praise and recognition for the fine showmanship they have displayed during this past year at Central. Hats off to you, girls! You did a fine job!

THE CHEERLEADERS are left to right, **Top Row:** Nancy Davenport, Carol Melander, Sue Fletcher. **First Row:** Judy Wallace, Carol Smith, Johanne Mabb, Martha Strickland.

Our Cheerleaders

Central High is proud of its Cheerleaders, who are one of the brightest symbols of school spirit here at our school. The traditions which these girls have established this year will be passed on through time.

An ambitious and talented group, they have appeared at all Pep assemblies, football games, basketball games, and, in general, at any event which has required pep and school spirit. In the Rodeo Parade, the cheerleaders presented a fine representation of we Bobcats.

After tryouts, which took place this fall, the girls met every night after school to work up new routines and to practice old ones.

They are an ambitious group as is shown by them sponsoring a dance, The Deep Purple Ball, and the other activities in which they are engaged.

Along with their sponsor, Peg Mulchay, we, at Central, owe our Cheerleaders a sincere thanks.

Who? Me!

Right: Flossy Howard is shown receiving a dozen roses as part of her gifts for winning the Miss Victory contest. The roses are being presented by Roy Smelick.

Miss Victory!

Another dramatic moment in Central High's History came with the crowning of Miss Victory towards the end of the football season. Homeroom elections and nominations were held and the winner, Miss Flossy Howard, crowned in an assembly. Miss Howard was given a dozen red roses and many other gifts. A very surprised girl she was, (as the picture shows) when the results of the election were disclosed.

Carl Hayden Cheerleaders?

Suspense filled the air as rumors of Carl Hayden cheerleaders invading our assembly filtered throughout the campus. Assembly time came, the Hayden cheerers announced, and found to be none other than Central's own Bev Heflin, Jerry Ross, Tony Johnson, Bob Bigony, Jack Eaton, and Virgil Trout. The Student body received a big kick from the whole affair, and it promoted a lot of school spirit from the annual Carl Hayden game that night.

Working Hard?

No dance comes off without a little work; as is shown by these members of the Social Committee decorating for the PTA Sock Hop. Pictured are from left to right: Mrs. Fuller, Diane Zaslow, Sharon Fuller, John Dick, Joan Harris, Mike Weiss, Karen Cress, Sue Murphy.

Crowded, Isn't It?

Crowded isn't it? No, not too much say Barbara Russell and Diane Smith sharing a band uniform. Wonder who the uniform belongs to?

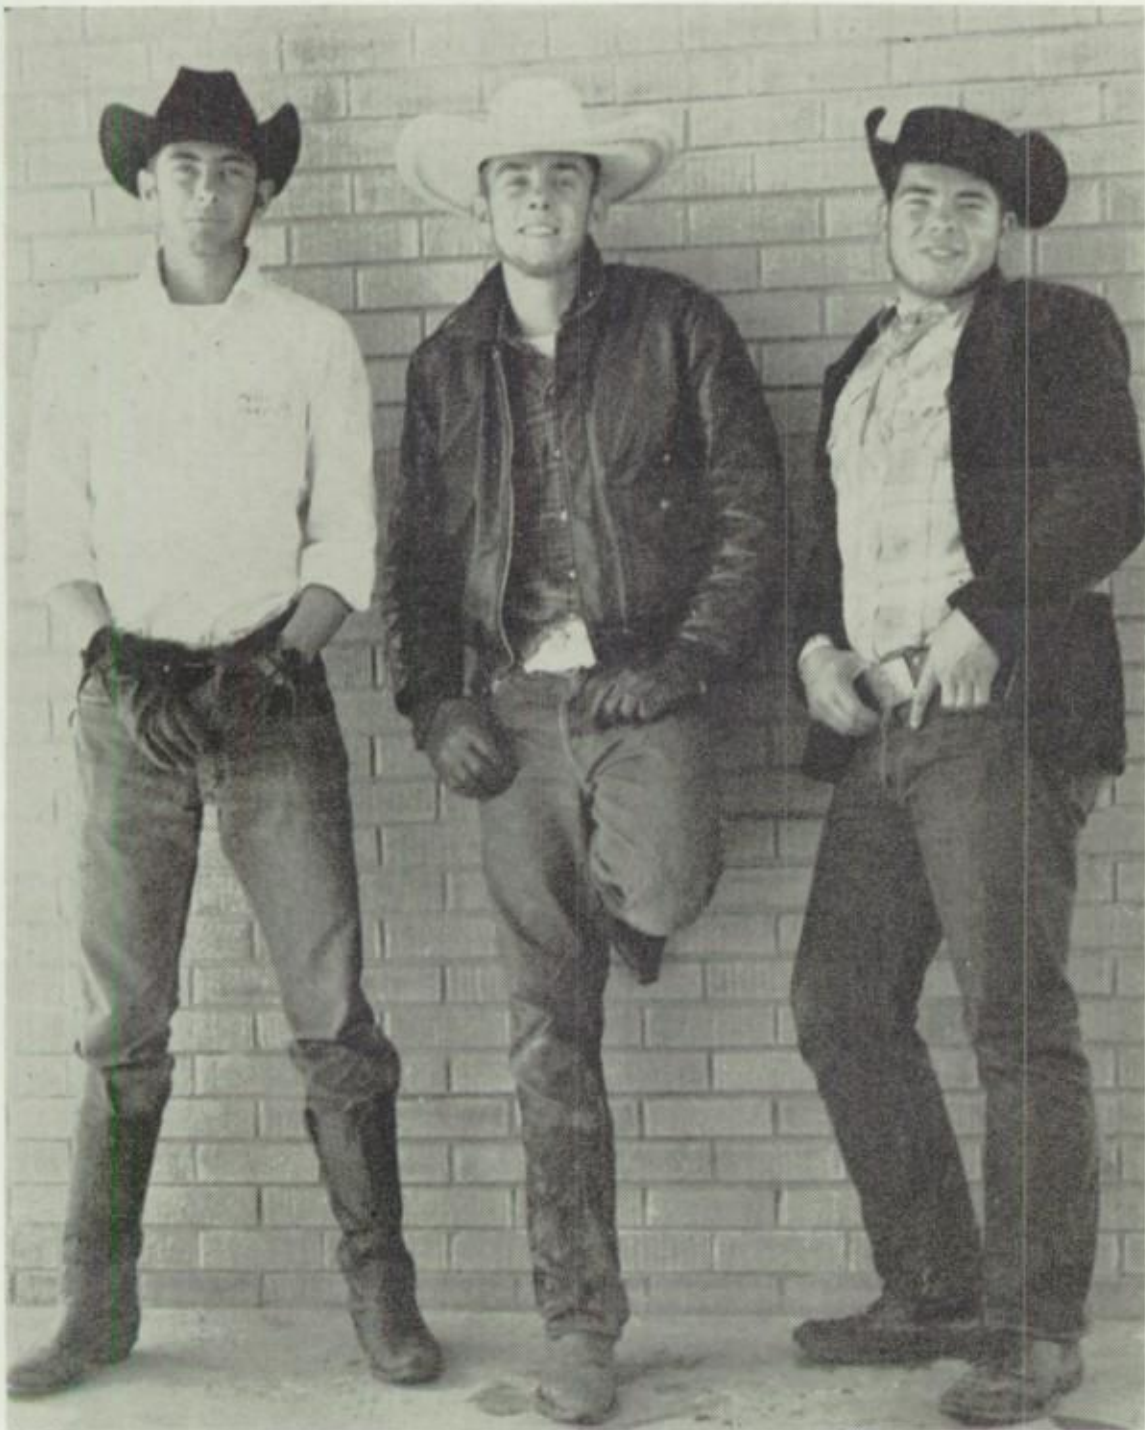

Could It Be A Date?

It must be something important—the way they're all listening so intently. In the booth is Sandra Worman, standing is Betty Haas, sitting left to right are: Diane Smith, Barbara Russell, Linda Chenoweth.

Sagebrush Swing

The Sagebrush Swing, held in honor of our new tradition, Maverick Day, was sponsored by the Girl's Athletic Organization on March 12. A big success, the dance featured a western dance band and square dancers for entertainment. Yeah, Podner, every one will remember the 12th for its big hoe-down and the fancy duds they wore to join in on the fun and noise of our first Big WESTERN dance.

Howdy Folks!

Maverick day, March 12th, was a real first for Central. It climaxed the beard growing contest which determined the cowpokes which were to serve as Sheriffs and deputies of the day. Pictured at the left, they were from left to right: Bill Branan—Wyatt Earp, Sheriff Denny Cook—Bret Maverick, and Bill Brisbin—Deputy Mat Dillan. Students rode horses to school and some were given special permission to ride herd on the corral, rainy, but full of horses. All in all, it promises to be a delightful and hilarious experience for Centralites annually.

Heller-Eaton Trophy

Another annual tradition at Central was started with the presentation of this Eaton-Heller trophy. At the annual Carl Hayden-Central game the trophy will be awarded to the winning school to keep until it is defeated by one school or the other. The trophy is being presented by Mr. Jack Eaton and Mr. Marvin S. Heller. This year Central received the trophy; score—Hayden 19, Central 19.

Bowling Bests

Receiving Bowling trophies and awards are from left to right Charlene Brodsky, Jan Pribble, Mike Daniels, Sharon Fuller, Joe Abdai.

Our executive committee members don their school colors and derbies in honor of Central High's first Color Day. Red and gray were the identifying colors of loyal Centralites participating in the event which was supported wholeheartedly by the student body.

OPPOSITE PAGE: Cinderella, another Drama Club presentation, was held on March 19th. The play showed that a lot of time and effort by the club had been devoted to its presentation.

I See You!

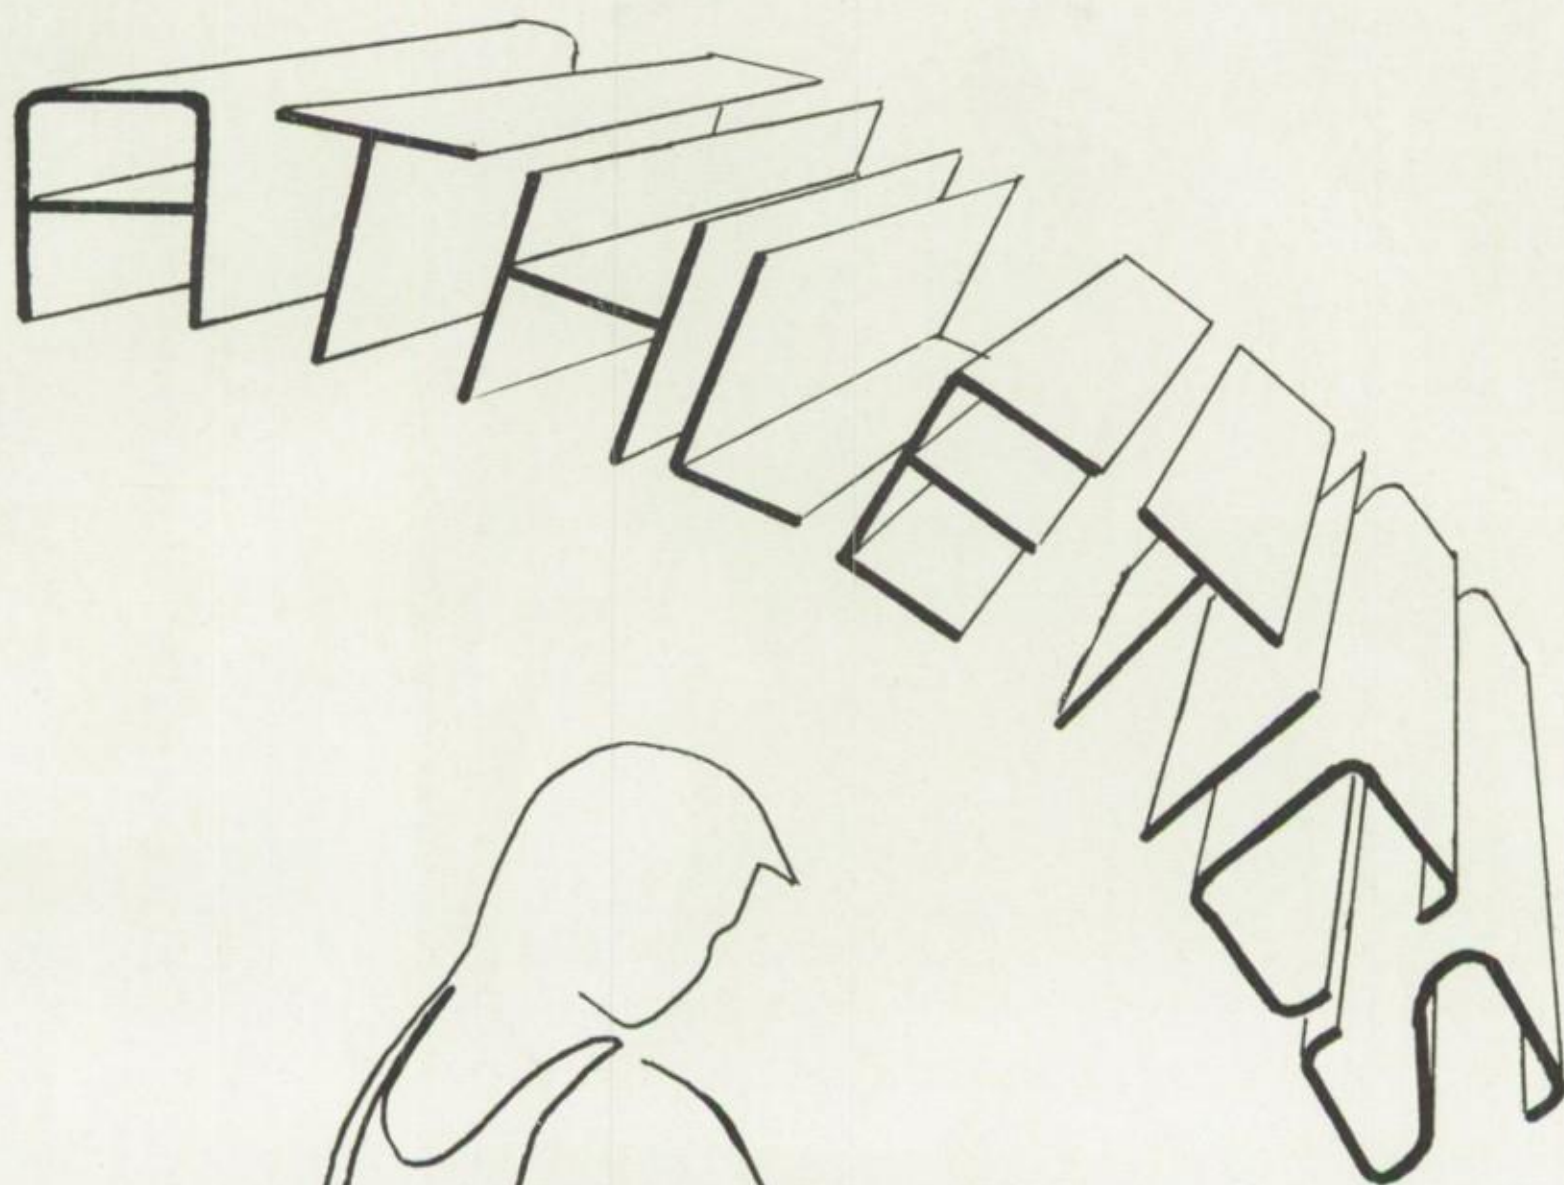

Admiring the new addition to the Central High Campus during the beginning of the holidays are from left to right: Barbara Jones, Nancy Osborn, Ann Hall, Audrey Thompson, Sharron Gardner, and Donna Green. The Snowman was built by ambitious Centralites, who hauled the snow from nearby? Prescott. Several boys and girls helped in the construction of it in the early morning hours on December 20th. Thanks to the efforts of these industrious students, an almost unknown sight greeted the eyes of sleepy Bobcats.

Santas n' Snowmen

OPPOSITE PAGE—The Christmas Assembly was presented to an audience that fell completely into the theme of the whole production by the Advanced Dance department. The assembly featured Rudolph and the other reindeer complete with fluorescent nose and all; plus a visit by Santa. "The Night Before Christmas" was also reenacted with music furnished by the Choraliers and mixed chorus. The assembly proved to be one of the best and most smoothly run of the school year.

ABOVE: Brent Smith, Central halfback, scores on a 3-yard plunge as the Bobcats surpassed St. Mary's J.V. 24-19. No. 75 is big Dave Areghini, Central linesman and 65 is Earl Barry, right tackle.

Cat Pack Completes First Season

Finishing their first football season, the Central High varsity football team has made a very successful showing with 4 wins, 4 losses and 1 tie. The team was ably coached by Martin "Pug" Marich and John Hickman. The captains of the team were: Al Heller, John Matzinger and Al Moutran.

The Cat Pack started off the season with a triumph over the Scottsdale Beavers, 13-0. Half-back Al Heller and Brent Smith scored each on short run plays. Central scored the only points of the game in the first quarter. Next the Bobcats fought a hard game with the North High J.V., but lost a tough decision, 13-0. At Phoenix College the Cats encountered a rough Phoenix Union J.V. team dropping the contest, 19-6. Al Moutran's 20-yard pass to Carl Bornhauser gave Central its only score. A week later the Pack traveled to Tucson where they displayed excellent sportsmanship and gave Pueblo a rough time with Pueblo winning 20-13. The Bobcats then met West High J.V. at Montgomery Stadium where they played one of their finest games of the season and showed West that they are a pretty rugged team. Brent Smith and Al Heller each scored 2 touchdowns for the highlights of the game. In the third quarter West had the lead 20-14, but the brave Central team opened up in the last quarter with a burst of 20 points to win. After the rain cancelled one game the Cats met with the Mesa J.V. where they had a terrific spirit but unfortunately lost 27-6. Two days later the undaunted Central team walloped the Sunnyslope J.V., 41-7, in a magnificent display of football knowhow.

ABOVE: Brent Smith (35) runs for a touchdown as Ronnie Brakebill (36) tries to tackle an onrushing Falcon in our annual rival game against Carl Hayden. The Bobcats fought a tough game to a 19-19 draw.

After battling St. Mary's J.V. to a 24-19 victory in which they beat a top JV team with Brent Smith high point man with 2 touchdowns, the Bobcats played their biggest game of the year with their rival, Carl Hayden. Both teams showed terrific courage and sportsmanship right down to the last second, as the two teams battled to a 19-19 tie. Brent Smith accounted for all Central's touchdowns, returning a kickoff 85 yards, running 3 and 46 for others, and passing 32 yards to Joe Koch. For the first year the Bobcats looked good, but next year as an AA school, we should be right in there battling as a top team.

Lennartz Hits – Honorable Mention – All City

Bill Lennartz, student body president, and first string varsity center for our basketball team brought Central a great honor in this our first year. He was named to honorable mention on the all-city basketball team chosen annually by the Arizona Republic.

Bill has played in almost every game as the starting center. He was second highest scorer for the season with 156 points scored.

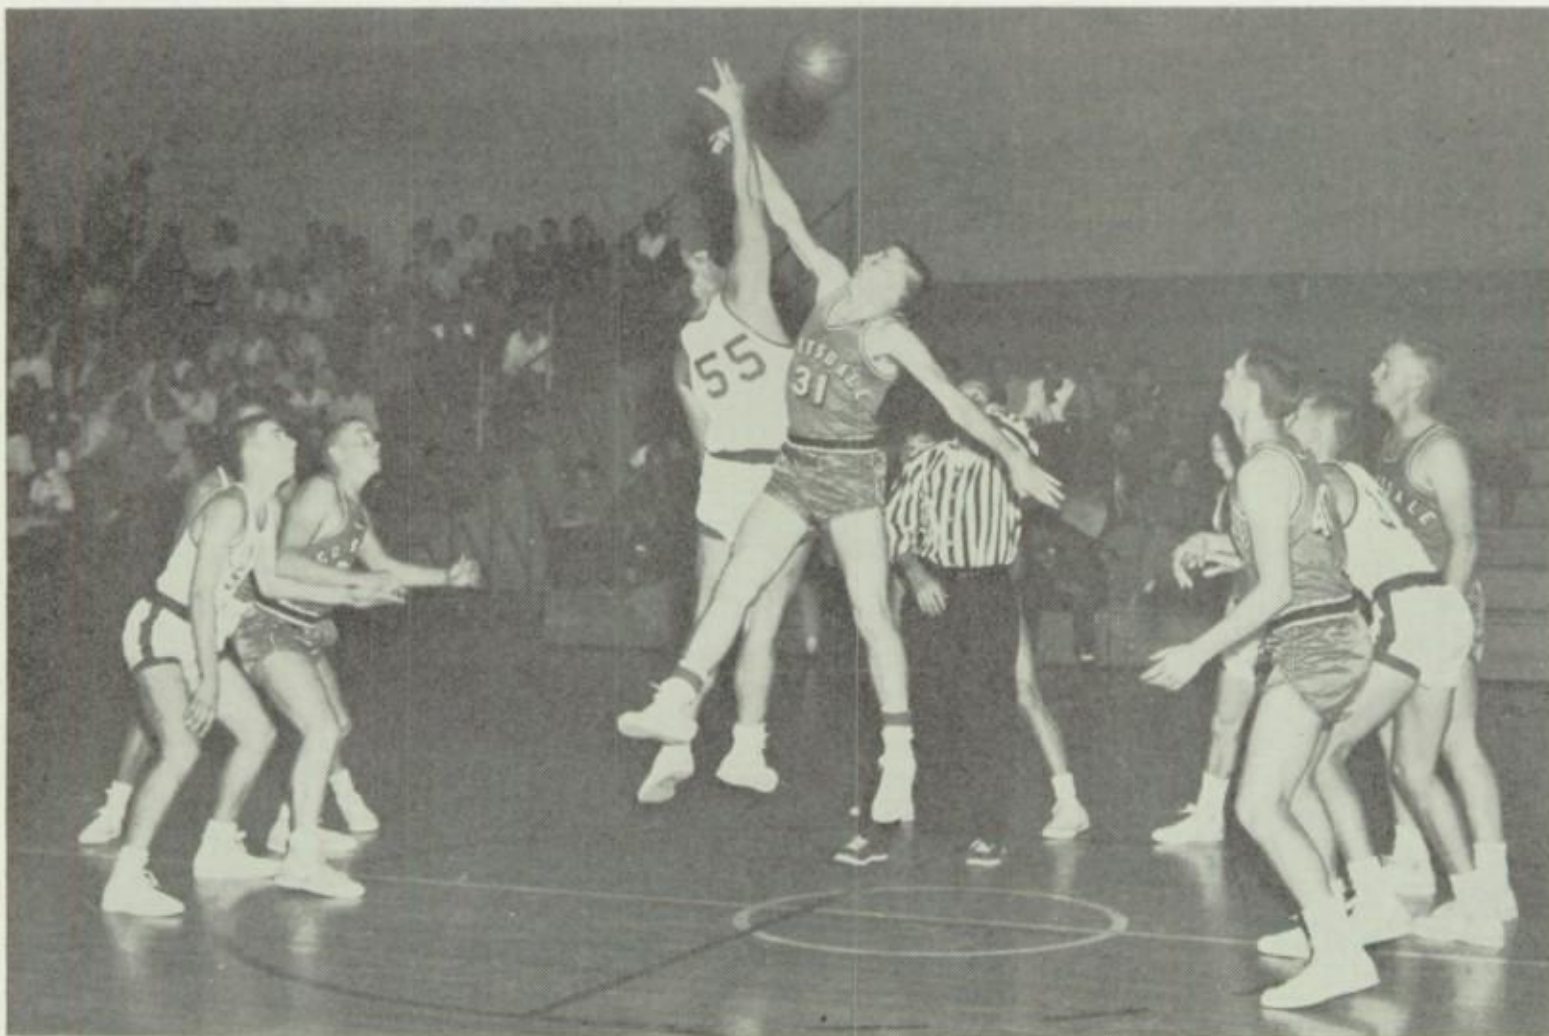

Dave Manor, Bobcat guard, received the free throw shot trophy given by Coach John Paddelford. Making 37 out of 60 tries for a 62% average, he was also leading scorer with a total of 185 points for the entire season.

These boys have certainly shown what a fine spirit this team had and how they really worked hard.

Bobcat's Basketmakers!

The Central High varsity basketball season was opened officially during the last week of November in 1957 with 86 boys attending tryouts for the varsity team. After two weeks of competition, Coaches John Paddelford and Joe Garcia had selected 31 boys to represent the Bobcats.

Following a slow start, the Bobcats came to life and had a fair year for our first year by winning 4 games and losing 12 games.

Outstanding performances for the season were highlighted by the selection of Bill Lennartz on the all-city team and the presentation of the Free Throw Trophy to Dave Manor. Outstanding offensively were Bill Lennartz, Dave Manor, Jack Hay, Dick Dickson and Lynn Gaston. Defensive standouts were Bill Lennartz and Jack Hay.

The Bobcats beat their rival Carl Hayden in two games by 53-38 and 59-48. They beat Phoenix Christian and Peoria by big margins and almost beat Brophy Prep with a last minute burst of points, but lost 49-51. All games they played and lost were lost only by a few points in each case. They averaged 50 points per game to their opponents 55 points per game. These boys practiced hard and worked hard on the court when they played. They were competing against many older boys while most of these are only sophomores and juniors. Next year these boys should be really in there pitching and will probably come out with a fine record.

The boys' tennis team under the guidance of Coach Blaine Leighton have finished their first year with 12 wins and only 4 losses, which is an outstanding record considering this is our beginning year at Central.

From the looks of this team, they should be way up in top contention next year as this team has plenty of "get up and go". This team is composed mostly of freshman and sophomore boys although they have been competing against schools which are composed mostly of junior and senior boys. We can expect great things from this remarkable team.

The girls' tennis team, coached by Miss Sally Hardin, has split 6-7, winning six, losing seven. The girl's tennis team worked hard and had a fine spirit. Playing their games and practicing on Central's only four tennis courts, these girls had to alternate with the boys to use these courts; but it all appeared to turn out pretty gay for all concerned. For the first year these girls looked good and we are confident that they will bring the Bobcats right up there in top contention next year.

Although the wrestling team won only a few, they fought hard. Composed mostly of freshman and sophomore boys, our team was wrestling against junior and senior boys. Members of this fine team include—**Row 1:** Tom Alberti, Larry Marks, Mike Bornhouser, Allen Alexander, and Bob Mizer. **Row 2:** Bob Gilliam, Dan Reynolds, LeRoy Suserud, David Stofa, Tom Crowe, and Carl Bornhouser. **Top Row:** Rod Palmer, David Audsley, Al Heller, Gary Gerovac, John Steiner, Brent Smith, and Coach Martin Marich.

The Bowling Club was organized in the beginning of the year with Mr. Vergil H. Lewis as the sponsor. Under his guidance, its members have won trophies and honors in not only Central competition but also in city wide competition. Meeting every week at a designated commercial lane, the members congregate to learn more about the sport as well as develop a good sense of sportsmanship and fair play.

Balls and Arrows

Another girls' athletic organization, this club promotes interest in archery and provides its members with a safe place to practice the sport in without endangering others. Able guidance from their sponsor helps them develop style as well as accurateness in Archery and the handling of the involved equipment.

Bobcat Orchestra

We, the students of Central High School, owe our 1958 Bobcat Orchestra a vote of thanks for the fine work they have done in that field. Along with promoting interest in music, this group meets to develop togetherness and in one sense of the word, teamwork. Under the direction of Harvey Zorn, this Bobcat "band" has helped to fill in an empty spot in the life of Centralites.

Music Gladdens

Nearly two hundred young musicians are learning to play band and orchestra instruments at Central High School this year. There are classes in beginning instruments during the first semester of each year. In many cases the school is able to loan instruments to serious and responsible students.

After one year in an instrument class, the average student who has practiced with regularity and thought, is promoted to the cadet band for continued training.

Many freshmen students who have studied their instrument privately for a year or two, are assigned directly to the Concert Band or the Orchestra their first year in high school. Every musician must pass an audition before being registered for the Concert Band or Orchestra.

"Raise Our Voices to the Sky"

The Choraliers, Concert Choir, and Madrigal Singers, under the fine direction of Miss Kathleen Hergt, have performed in many programs this year. All three groups sang in the Central High Music Festival, the Valley Choral Music Festival, and the Christmas Assembly here at school. Concert Choir performed at the Dedication Ceremonies, the annual Kiwanis Club Lenten program at the Westward Ho, and the "Music and Motion" program in co-operation with the Central advanced dance group.

Madrigal Singers sang at the Arizona State College Solo and Ensemble Contest and received a superior rating. They also sang for the State meeting of the Arizona Vocational Association and for various church and civic affairs.

Officers of the groups are as follows:

Choraliers: President—Princess Humphrey

Secretary—Avalyn Rowher

Vice-President—Marilyn Fish

Treasurer—Donna Clancy

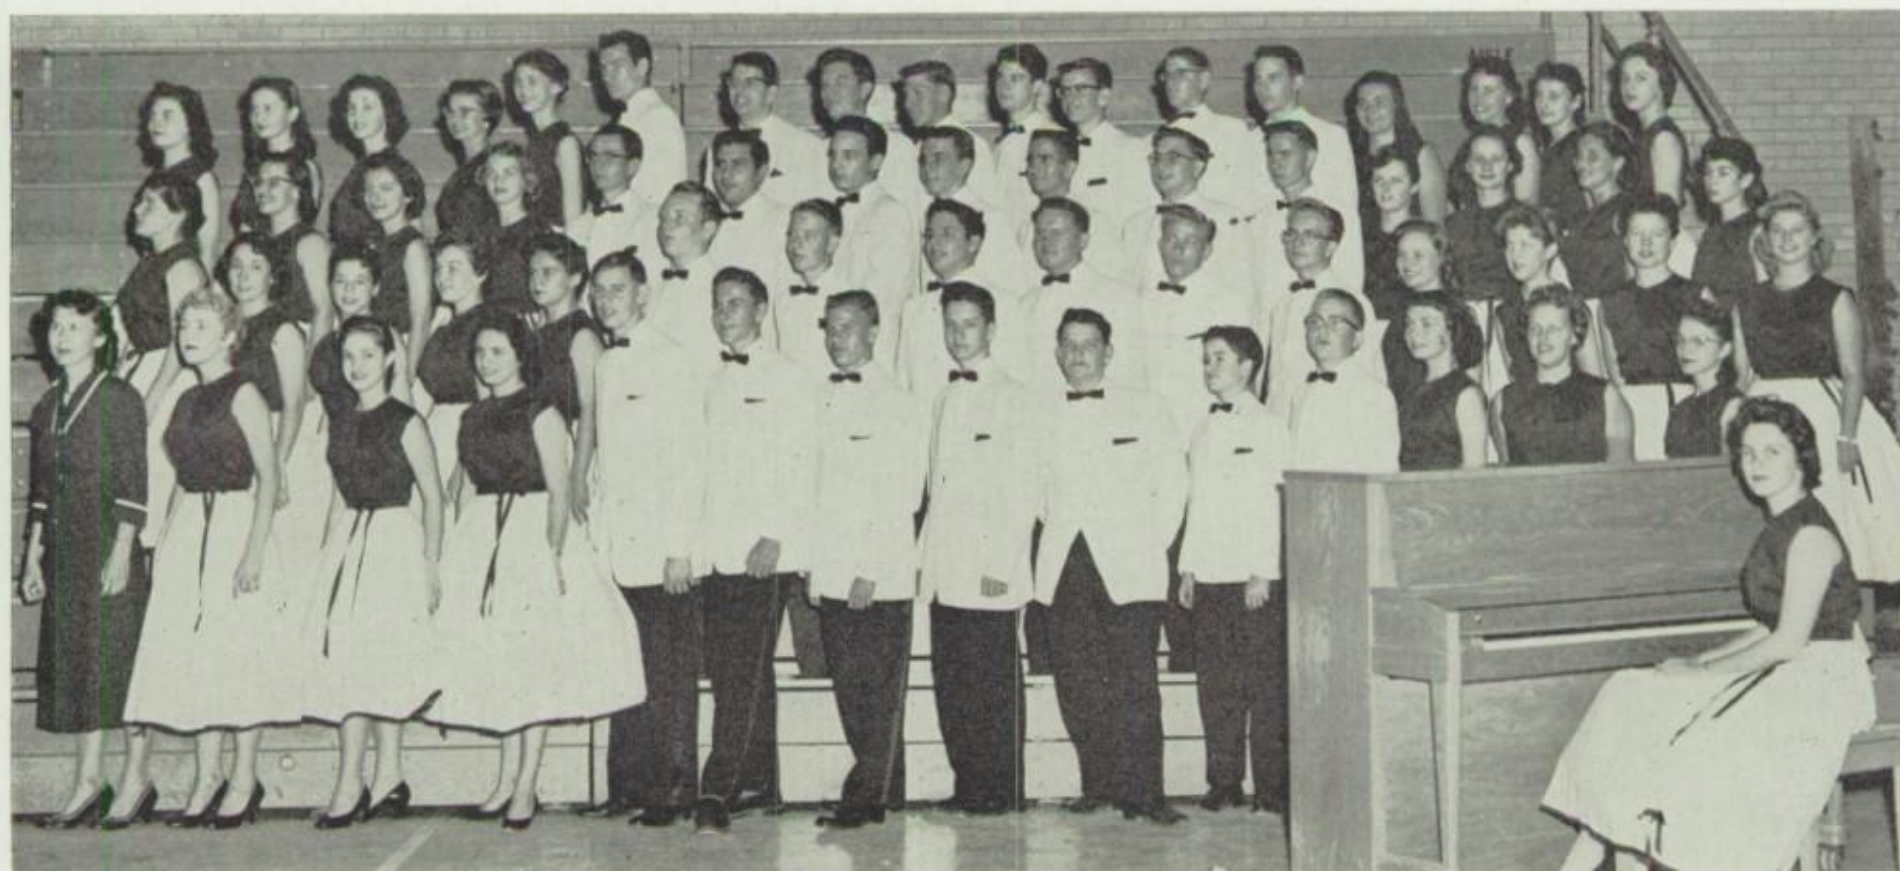

Concert Choir: Co-presidents—Lynne McLaughlin and Bob Stringham

Secretary—Judy Mallin

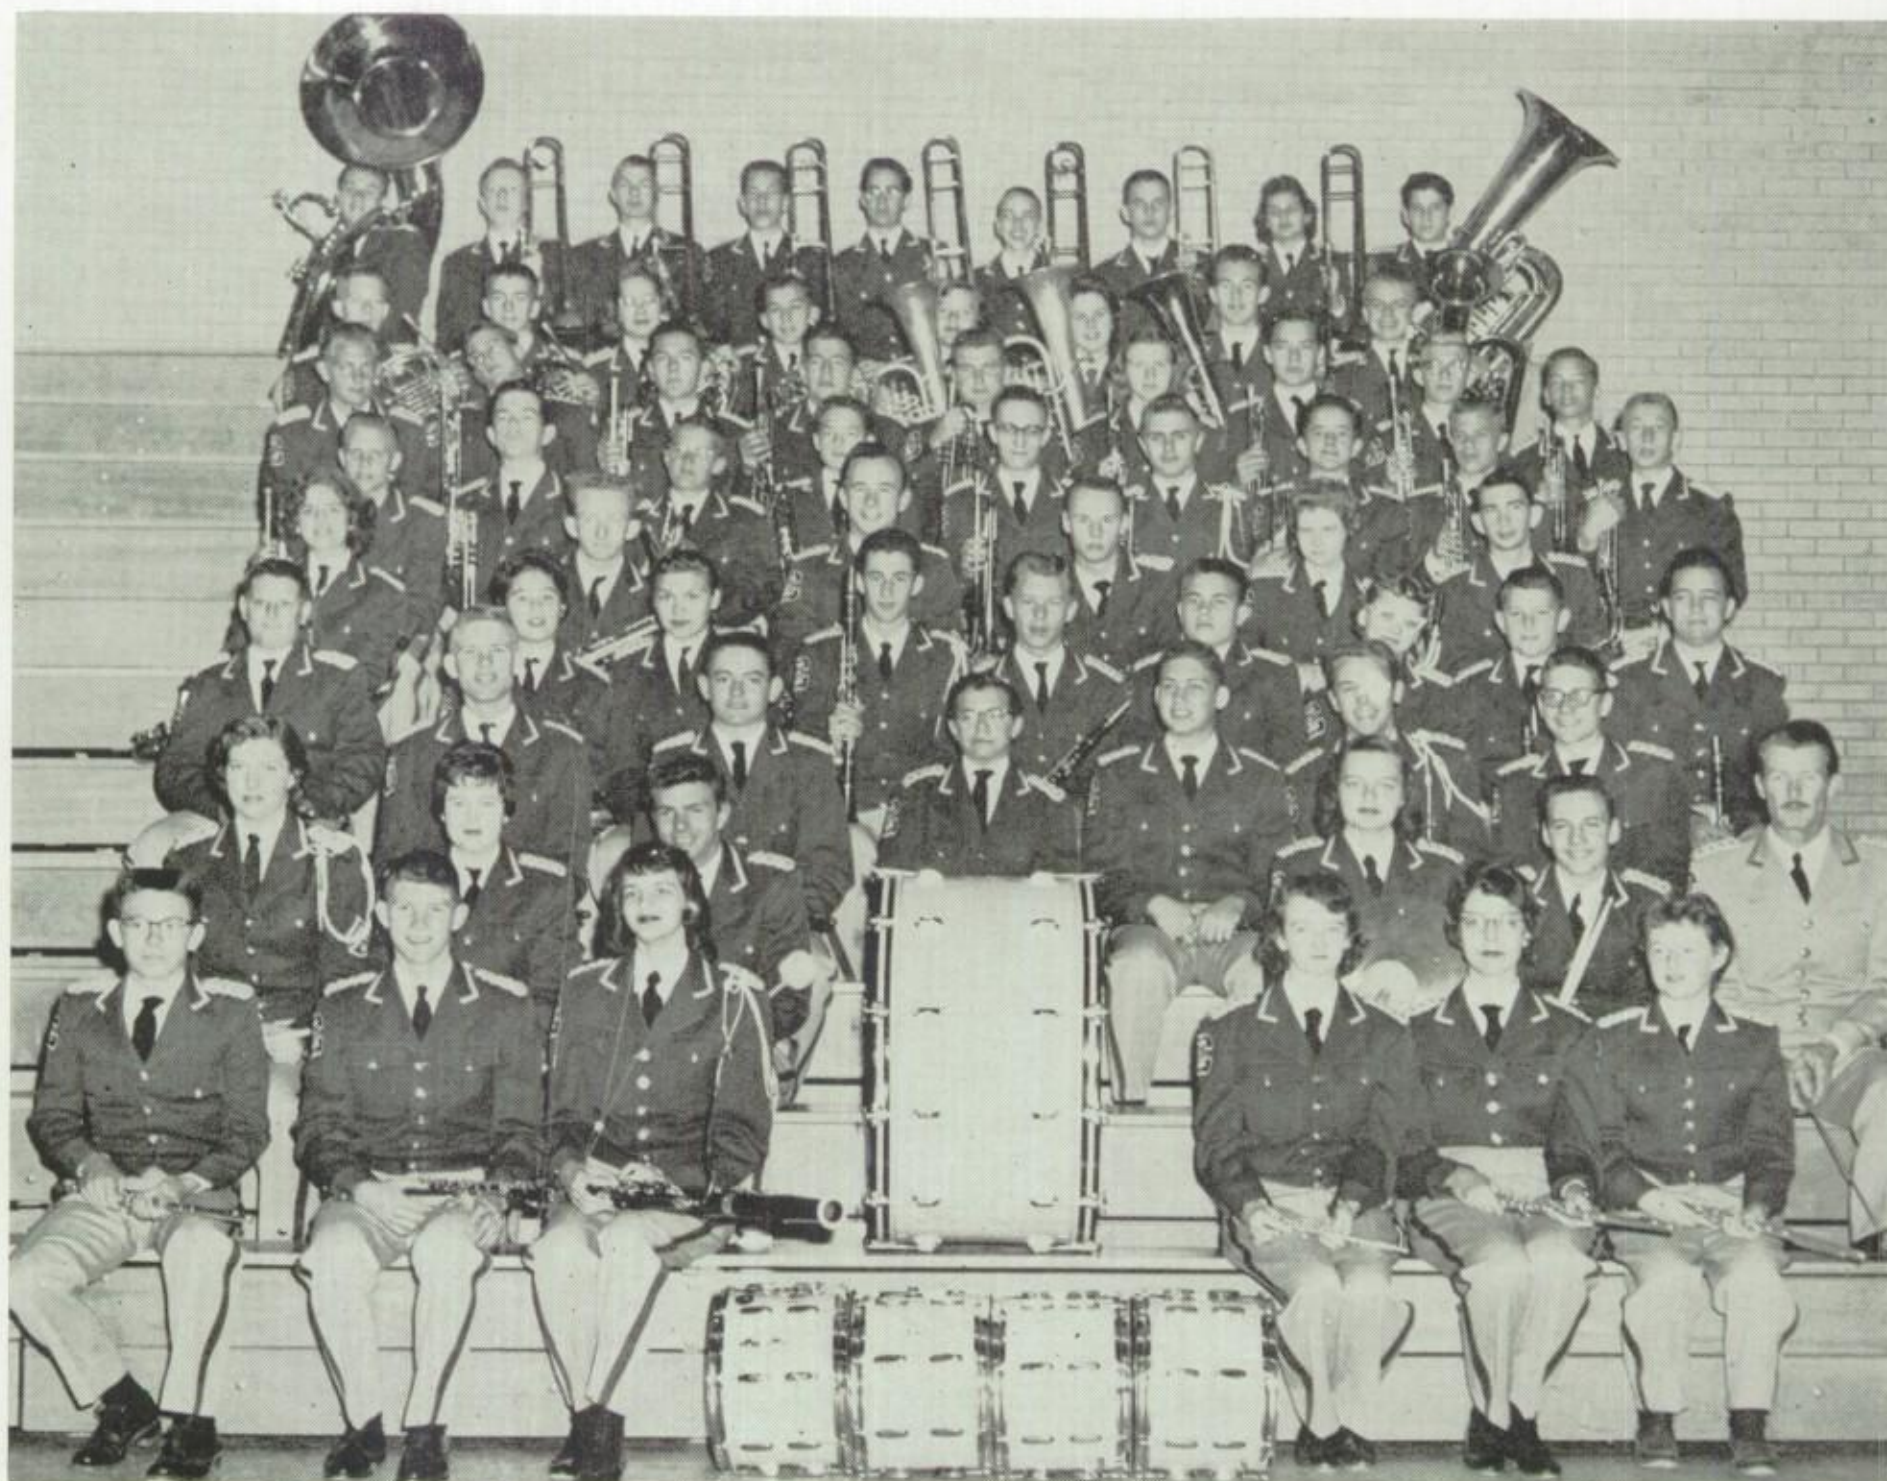

Treasurer—Gus Blanchard

The vocal groups work not only to develop fine singing, but to further their citizenship and promote a sense of group loyalty.

Our Concert and Swing Bands

The Swing Band is made up of more advanced players of the Concert Band. This small, but talented band, plays for basketball games, assemblies, track meets, and special concerts around the valley in elementary schools.

Central High can be very proud of the progress our Concert Band, Swing, and Orchestra have made in this first year here as a Bobcat group.

Many achievements by our band rank it with the top bands in the state. Our Concert Band received an "above average" rating by officials at the Arizona State College in Tempe. They participated in the Spring Concert, held in Central's Gymnasium on March 28, playing everything from Beethoven to Mozart. Along with the other sections of the music department they presented an interesting program to a "full house". The Concert Band along with the Majorettes also performed in the Phoenix Jaycee's Rodeo Parade on March 13th. With their precision marching and playing, the band made an outstanding impression on Valley residents and tourists.

We Bobcats owe our Concert Band, Swing Band, and Orchestra, all under the direction of Harvey Zorn, an appreciative vote of thanks for their contribution to the moral and musical interests of the Central High student body.
